Gathering Your Feedback

The School Development Plan and Fees Feedback Survey will be live next week. Watch for a link sent my SchoolMessenger.

Here is a preview:

Feedback is important as we consider school planning. When students, families and staff work closely together, students achieve greater success in their learning.

We'd now like to gather your feedback on some specific questions.

Gathering Your Feedback

School Development Plan (SDP)

We share SDP information and updates in different ways. In what ways have you learned about our SDP?

Gathering Your Feedback

School Development Plan (SDP)

The SDP is developed with all students in mind. Do you agree that:

- Your child's learning can benefit from the goals, actions and resources in the SDP?
- The learning of all students is reflected and prioritized in the goals, actions and resources in the SDP?

Gathering Your Feedback

School Budget & Fees

Schools must operate within their budget and too many fees can be unmanageable for families. Knowing that, what activities and services are most important to you?

Gathering Your Feedback

School Budget & Fees

Do you agree that:

- The activities our school provides (e.g., field trips, guest speakers, experts in schools, sporting activities, outdoor education, etc.) are important for your child's learning?
- The school fees you pay are reasonable considering the benefit they provide your child?

Gathering Your Feedback

- Survey link will be sent my messenger next week
- Survey will remain open until March 21, 2025 (last day before Spring Break)

Next Steps

- We will update our school website with:
 - A summary of feedback gathered at tonight's session by April 30, 2025
 - A meeting evaluation summary by April 30, 2025
 - Feedback from the survey by April 30, 2025
- Share information about student results and the school development plan at our October/November school council meeting.
- Our updated school development plan will be posted on our school website by Nov. 30, 2025.
