## Service Menu

Brows: Starting from \$350

- Hybrid Brows: Combination of the use of a hand tool to create a soft and natural brow with fine hair strokes and a

- Powder Brows: With the choice of three different brow colors, and soft powder) the brows can stay soft and natural, but look like they were filled in with makeup.

- Nano Brows: Much like the hybrid brow, the nano brow uses a fine needle to create a soft and natural brow with fine hair strokes and tends to fill in between the strokes.

Lash Enhancement Lash: Starting from \$250

- Lash Enhancement: A soft and subtle line applied to your lash to create a beautifully thicker and fuller looking lash line.

- Eyeliner: Ready to toss nifty eyeliner goodness? Then look no further for you! With the same technique used with the lash enhancement, this eyeliner look is created by dusting pigment from within the lash line, so it looks like you're wearing eyeliner.

- Foxy Liner: Just as it sounds, Foxy Liner is a beautiful shimmer look, achieved with a beautiful liner with a wing suited to your style.

Lip Blush: Starting from \$400

- Lip Blush: If you're tired of selecting through your mirror for your favorite shade, Lip Blush is an incredible solution. Lip Blush is also lasting over a year of using lip liner.

Fine Line & Tiny Tattoo: Starting from \$125

- Fine Line Tattoo: Whether it's a beautiful line and band, fine line tattoo, or a tiny tattoo.
