

SUNDANCE SCHOOL PLAYGROUND COMMITTEE

SUNDANCESCHOOLPLAYGROUND@GMAIL.COM

SEPTEMBER, 2025

Dear Sir/Madam,

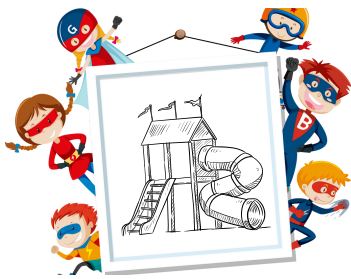

Sundance Elementary School is proud to serve as the designated Calgary Board of Education French Immersion school for multiple southeast communities, welcoming students from Midnapore to Legacy and as far east as Mahogany and Rangeview. We currently have over 570 Kindergarten to Grade 6 students, and this number is expected to continue growing in the years ahead.

Our school motto, "Learning to Soar," reflects our commitment to nurturing the holistic development of our students. A well-designed safe and inclusive playground plays an essential role in this mission by supporting physical literacy, concentration, creativity, problem-solving, risk-taking, and social-emotional development. Unfortunately, our current playground is now over 25 years old. As equipment begins to break down, it is no longer safe or inclusive for all children.

Our vision is to build an innovative, accessible, and inclusive playground that brings children of all abilities together. The new design will feature modern, durable, inclusive equipment, and accessible surfacing to ensure every child can play, learn, and grow side by side. This playground will not only serve our school but also the broader Sundance community. With nearby playgrounds lacking accessible features, our project will provide a much-needed space for inclusive play.

It is estimated that this playground will directly benefit over 4,000 people—including current and future students, families from the Sundance community, and local sports and recreation groups who use our fields and play space.

To make this vision a reality, we have set a fundraising goal of \$510,000, with a target completion date of Summer 2027. We are inviting valued community partners like you to join us in this effort by sponsoring or contributing toward the project.

We are seeking financial donations or contributions of the following services: temporary site fencing, excavation and site preparation (up to 12" depth), and/or perimeter landscaping (loaming, leveling, and sodding) to help offset project costs.

To recognize the generosity of our community partners, Sundance School Playground Committee has created a Business Donor Recognition Program. All business donors will be recognized on a permanent plaque prominently displayed in the school as follows:

- Business Bronze - \$2,500+ = Small Name recognition on signage
- Business Silver - \$5,000+ = Large Name recognition on signage
- Business Gold – \$10,000+ = Logo recognition on signage and mentioned on our social media channels and school newsletter.
- Business Diamond – \$20,000+ = Large logo recognition on signage, mentioned on our social media channels, school newsletter, plus a special mention at the Grand Opening

Renderings of the proposed inclusive playground design by BDI a Canadian Vendor.

Your support would not only help us provide a safe and inclusive space for children today, but also leave a lasting legacy for generations to come.

On behalf of our students, families, and staff, we sincerely thank you for considering this opportunity to make a meaningful impact in our community. We look forward to the possibility of working together to bring this dream to life.

Warm regards,

Sundance School Playground Committee
